

city select[®]

by baby jogger[®]

Whether you're looking for a single stroller, a pram, a travel system or a double stroller, the City Select was designed to keep your family rolling as it grows from one child to two...or add on a Glider Board to accommodate three.

Use the chart below to help you pick the perfect combination for your family.

	you will need:  stroller		you will need:   x2  stroller bassinet kit second seat kit		you will need:   stroller second seat kit
	you will need:  stroller		you will need:    second seat adapter brackets or  stroller car seat adapter car seat second seat adapter brackets second seat kit		you will need:   stroller second seat kit
	you will need:    stroller car seat adapter car seat		you will need:    second seat adapter brackets or  stroller car seat adapter car seat second seat adapter brackets second seat kit		you will need:   stroller second seat kit
	you will need:   stroller bassinet kit		you will need:    second seat adapter brackets or  stroller car seat adapter car seat second seat adapter brackets second seat kit		you will need:   stroller second seat kit
	you will need:   stroller bassinet kit		you will need:    second seat adapter brackets or  stroller car seat adapter car seat second seat adapter brackets second seat kit		
	you will need:    stroller bassinet kit second seat kit		you will need:   x2  x2 second seat adapter brackets or  stroller car seat adapter car seat second seat adapter brackets second seat kit		

Add on a Glider Board to make it a double or a triple!
